

Information for Pastor

Reaching the lost and growing the body of Christ is at the center of church ministry. He Is Your Life (HIYL) is a tool to help you reach and grow the moms in your church and community.

HIYL exists to serve God by coming along side churches by equipping lay leaders to effectively implement the Titus 2 model.

HIYL is a platform supporting the development of Bible study, mentoring relationships and peer connections that moms need to encourage a deeper walk with Christ.
